

<http://www.eurowineimport.com/wp/macedonian-wine/the-history/>

with influences from the Black Sea. Located at 46-47° latitude, just like other famous wine regions in Europe, the vineyards have a terroir suited for the production of quality red wine, in the southern regions and mainly white wine in the central part of the country.

Moldova has 112 thousand hectares of vineyard planted with over 30 types of technical varieties. There are 4 historical wine regions: Valul lui Traian (south west), Stefan Voda (south east), Codru (center), and Balti (North); first three are destined for the production of wines with protected geographic indication:.
