Château Suduiraut 2015

Bordeaux - Sauternes - Blanc - 14° - Détails

Parker : 95-97

J. Robinson : 18

Wine Advocate-Parker :

The 2015 Suduiraut comes with 123 grams per liter of residual sugar, more modest than some of its Sauternes peers and 4.56 grams per liter of acidity. It has a sense of completeness on the nose already: immense clarity with wild honey and quince aromas that gain intensity in the glass. The palate is medium-bodied with very pure botrytised fruit, very focused and one of the most intense Sauternes you will find this year. It feels long and sophisticated in the mouth yet never overpowers, never really has to put its foot right down on the accelerator. This is a wonderful Suduiraut, not quite up to the level of the ethereal 2009...although not too far off.

390,00 € T.T.C

(65,00 €/Unité)

Pays	France
Région	Bordeaux
Appellation	Sauternes
