FRATI 2018 DRY RED WINE

FRATI wine created by blending the Merlot and Malbec varieties is dedicated to brothers and sisters. A coupage with character, produced from selected grapes from the micro-zone Speia, Codru region. The vibrant aromas of prunes and spices meet on the palette with delicate sensations of cherries, raspberries and chocolate. The body is full, dominated by spicy tannins, which ensures a pleasant astringency. The fruity aftertaste invites you to prolong the flavor of this wine.
